REPORT OF THE TRUSTEES OF THE PUBLIC LIBRARY

Due to the resignation of the Librarian, which occurred late in the fall, it became necessary, not only to select a new Librarian, but to find a new location for the Library itself.

New quarters were provided in the Town Hall. The room being large, sunny and well lighted, well suited for the purpose. New book cases were built and installed, the books moved and placed on shelves. Mrs. Edna K. French was appointed Librarian and has entered on her duties.

The Trustees have spared no pains to make the Library convenient and attractive, its central location renders it easily accessible to all in the Town and we hope all this will result in greater interest in and more patronage to your Library. The detailed report follows:

Number of books bought	33
Number of books donated	35
Number of books loaned	568

Received from Agnes J. Shaw	22.55
Received from Selectmen	81.00

SUPERINTENDNEN'S REPORT

To the School Board and Citizens of Sandown:

I herewith present my eighth annual report, as Superintendent of the Sandown Schools.

TEACHING STAFF

Below is the list of the teachers for this school year:—

Name	Trained at	Exp.
Ruby Gustafson	Plymouth '31	5
Irma Hollingshead	Keene '31	5

You will notice that the same teaching force as last year remain to carry on the work of this year. Experienced teachers for rural schools formerly were difficult to obtain, yet, under present conditions, you are fortunate enough to attain that desired goal. I believe this speaks well for the desirability of the positions offered and the satisfaction shown by the instructors themselves.

PUBLIC ACHIEVEMENT

The following table will show how the pupils of Sandown were classified by grades, according to May, 1936 test scores:

	Reached or Bettered Grade	Below Grade
Grade I	9	0
Grade II	3	1
Grade III	6	1
Grade IV	7	0
Grade V	4	0
Grade VI	5	0
Grade VII	4	0
Grade VIII	6	0

This above represents a very good showing on the part of pupils and teachers—a factor indicative of better grading and pupil placement. Some districts labor under a 20 or 25 per cent below grade status with no apparent fear or dismay. I am sure you will join me in commending these splendid achievements as illustrated above.

PERFECT ATTENDANCE

I am pleased to list the following pupils as perfect in attendance during 1935-36 and to include the parents names as well:—

Pupils	Parent
Violet Brown	Harold Brown
Richard Drowne	Clarence Drowne
Edmund Huckins	Everett Huckins
Ruby Huckins	Everett Huckins

STATISTICS FOR THE YEAR ENDING

JUNE 30, 1936

Number of pupils registered	46.

Average Attendance	42.89
Per cent of attendance	95.80
Pupils not absent nor tardy	4.
Cases of tardiness	59
Pupils Transported at district expense	17
Visits by superintendent	48.
Average No. of visits by Supt. per teacher	24
Visits by citizens	186
Visits by school board	9

HEALTH SUPERVISION

Of the 46 pupils examined during the school year, 1935-36 the following cases were found and treatments made:—

	No. of Cases	No. of Treatments
Underweight	2	2
Defective vision	3	2
Nervous condition	1	1
Deformity	2	2
Defective teeth	27	11
Diseased tonsils	3	2

Eighth Grade pupils were taken to Dr. MacRury's office for Dental corrections.

GRADUATES IN JUNE 1936

These pupils were graduated from your eighth grade:—

*Charles Bassett *Bertha Follansbee

*Hazel Bassett *Mary Melkonian

*Regina Blanco Elmer Woodard

The pupils with a star in front of their names, entered Hampstead High School last September.

Aside from these eighth grade graduates who entered high school, the following pupils are now at the institution named:

Barbara Hathaway	Sanborn Seminary	Grade 11
Nellie Blanco	Hampstead High School	Grade 12
Mavis Sherbut	Hampstead High School	Grade 12
Lillian Shiner	Hampstead High School	Grade 11
Ruth Brown	Hampstead High School	Grade 10
Allen Love	Raymond High School	Grade 11
Dorothy Love	Raymond High School	Grade 11

FINANCES

A comparison of school costs of this union should be of interest to you:—

Per Pupil Costs 1935-36

	Per Pupil Cost	State Aid per pupil	1935-36 Net to District	1932-33 Net to District
Brentwood	57.91	22.16	35.75	38.33
Danville	73.21	27.98	45.23	39.16
E. Kingston	84.53	30.75	53.78	84.73
Epping	48.84	20.41	28.43	34.12
Fremont	56.09	15.35	40.74	51.14
Kingston	66.08	19.95	46.13	48.16
Sandown	74.21	33.55	40.66	44.86
S. Hampton	116.77	44.07	72.70	82.56
State Median	77.93			

You will notice from this tabulation in the net figure column the effect of State Aid upon your costs. Only

two other districts in this Union show a lower net than yours—a fact which points to economy of operation. Kindly note also the reduction which has been accumulating from year to year and is represented here by a comparison between the net of last year and those of three years ago.

CURRENT COST OF PUBLIC EDUCATION

Per \$1000. of Equalized Valuation 1935-36, for some
of the 242 districts in the State, including those of this
union.

	Local Dist.	State Aid	Tot. Elem.	High School	Other Current	Tot. Current	Lowest
Monroe	1.70		1.70	.47	.09	2.25	
Hampton	3.47		3.47	1.35	.47	5.29	
Fremont	5.59	2.28	7.87	1.75	.81	10.43	
Derry Town	5.63	.27	6.80	3.47	.88	11.15	Median
Kingston	5.82	2.82	8.64	4.42	.86	13.92	
Brentwood	5.10	3.95	9.05	3.86	1.02	13.93	
Epping	5.11	4.30	9.41	3.60	1.27	14.28	
E. Kingston	6.29	3.75	10.04	3.90	.96	14.90	
S. Hampton	5.74	4.35	10.10	4.28	.96	15.34	
Sandown	5.12	5.91	11.03	3.80	1.24	16.07	
Danville	5.85	4.87	10.72	6.13	1.14	17.99	
Westmoreland	5.08	8.43	14.23	4.21	1.51	19.95	
Alstead	10.35	4.69	15.04	12.45	2.28	29.77	Highest

If you compare your "local district cost" with the "high school cost" you will see that the comparatively large number of high school students from Sandown is reflected there as the cost of the latter approaches that of the former. This is in no way a condemnation of high school attendance, for I believe you wish them to go, yet it points to an inevitable and statutory financial obligation which is difficult to assume. Up to now no solution of the problem has been presented. Possible there is no way out, unless some system of State or Federal aid is instituted whereby a portion of the tuition expense may be borne by the whole public rather than just your individual district. You will be interested in developments along this line as they would afford relief for the tax-laden real property.

MUSIC

An innovation has been started this year in the field of music teaching in the schools. Prior to this year three districts of this Union had supported a music teacher and supervisor. The other five districts relied upon the varying talents of their teachers to carry on the program in this important phase of cultural and leisure-time attainments. So, with a desire to see the development and coordination of these efforts, the State Department of Education offered to finance the salary of a music teacher in all state-aided districts provided a whole Union would finance the necessary travelling expense. This offer was placed before every Board in this Union and accepted this Fall. The organization was completed and became effective November 30, 1936.

In the short time that the plan has been in operation, we find a hearty response to its effectiveness and value. The schools in which the plan is not new are pleased for its continuance and those in which no supervision formerly taught are enthusiastic for the innovation. I am happy to say that I believe this plan for music instruction of this type is the most important development we have accomplished during my tenure in this office. A warning to all concerned was given that the expectation of results need not be great for the remainder of the year but our fondest hopes have been exceeded by the accomplishments to date.

Financially, this arrangement has proved a help to those districts in which a supervisor had been employed. The salary proportion for which they are responsible now becomes a part of the State Aid whereas formerly they bore the whole cost. The five new districts have added but a small charge for travelling expense, the salary being no charge whatsoever.

CONCLUSION

I am again pleased to report the genuine cooperation of a conscientious teaching staff and the sympathetic guidance of an interested School Board. The work of the year has been both pleasant and profitable for pupils and school officials.

Very respectfully,

HAROLD C. BOWLEY

Superintendent of Schools
